RE: Aero Communications, LLC Application for CLEC/IXC Authority at The South  
Carolina Public Service Commission  
Civil Action No. 2006-18-C  
Our File No.: 20587.05006

Dear Mr. Terrini:

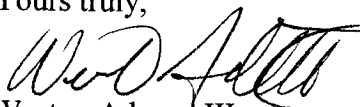

In regards to the above-referenced application, we are writing to request that the Commission extend the one hundred and twenty day period under S.C. Code Ann. § 58-9-280(B) in which the Commission must issue an order. Under S.C. Code Ann. § 58-9-280(B), the Commission must issue an order in this case by May 11, 2006. The hearing in this matter, however, is not scheduled until June 5, 2006. In order to allow the Commission and the hearing examiner the necessary time to complete the hearing of this matter, the Applicant requests that the time period in which the order is to be issued be extended until August 11, 2006.

The attorneys for other parties to this proceeding have explained by email to the hearing examiner that they do not object to this extension. Margaret Fox of the McNair Firm and Lessie Hammonds of the Office of Regulatory Staff have both indicated by email to the hearing examiner Butler that they do not object to the time period being extended.

Please file the original copy of this letter, and return a clocked-in copy to my courier. Also, please let us know if you need anything else in this regard.

We would also ask that this matter be placed upon the Tuesday, May 9, Utilities Agenda.

Yours truly,

Weston Adams, III
